

PROPOSED ACCOUNTING PROCEDURE CHANGE
From the Executive Committee
New Branch Banners
June 2017

Page 6 of 12 of the Accounting Procedures under New Branches:

-At the Branch inauguration, the Central Council will present a new Branch with \$500.00 seed money.

- ~~When a branch reaches their second anniversary, the Central Council will purchase the Branch Banner.~~ ***When a branch reaches their 1st anniversary and is attending their 2nd convention the Central Council will purchase and present them with their new banner at Convention.***

Rational: A new branch is still going strong at their second anniversary. If the new branch is going to start having problems it usually starts in the 4th or 5th year. Waiting 2 years sends a negative message.
